Date: November 27, 2002

Sir:

In response to the Notice of Non-Compliant Amendment dated November 15, 2002, Supplemental to the Amendment dated October 7, 2002, please amend the above-identified application as set forth below:

IN THE CLAIMS:

Amend the claim 4 as follows:

RECEIVED
DEC - 2 2002
TC 1700 MAIL ROOM

DL
4. (Twice Amended) A bending device for bending a belt-shaped thick steel material having two elongated sides and two ends to form a cylinder where the ends of the belt-shaped thick steel material abut each other, the bent work thereby obtained being used as a bearing receiving unit for construction machinery, the bending device comprising:
